Publishers' Announcement.

The Bulletin was established in Junction City by Jesse B. Lawrence, on the 21st day of February, 1899. We assumed control of the paper on the 8th of June, 1900, and have endeavored since that time to serve the people of Junction City and vicinity to the best of our ability. We have at all times made an effort (and, we think, a successful one) to furnish to the public a newspaper containing fresh, crisp, up-to-date news, and in our personal column have treated all alike.

After a fair trial of over a year we are convinced that the field will not support two papers. The citizens of Harrisburg have long felt the want of a newspaper, realizing that it was necessary to the advancement and improvement of their town. In view of this fact, they have offered us flattering inducements if we would move our plant and establish a paper there. While it is with a feeling of regret and reluctance that we have decided to accept the proposition of the Harrisburg citizens, yet we feel that, financially speaking, such a move will be to our interest.

We heartily thank the people of Junction City and vicinity for the support they have given the paper. Those who have subscriptions yet due them will receive the paper from Harrisburg, and we will carry out all advertising contracts there.

Again, thanking the people for favors shown us, and hoping that our former friends and patrons will give us a call when we are located in our new field, we now bid you farewell.

THE HOME GOLD CURE.

IS INGENIOUS TREATMENT BY WHICH DRUNKARDS ARE BEING CURED DAILY IN SPITE OF THEMSELVES.

NO NOXIOUS DRUGS—NO WEAKENING OF THE NERVES—A PLEASANT AND POSITIVE CURE FOR THE LIQUOR HABIT.

It is now generally known and understood that drunkenness is a disease and not weakness. A body filled with poison, and nerves completely shattered by periodical or constant use of intoxicating liquors, requires an antidote capable of neutralizing and eradicating this poison, and destroying the craving for intoxicants. Sufferers may now entrench themselves at home without publicity or loss of time from business by this wonderful "Home Gold Cure" which has been perfected after many years of close study and treatment of inebriates.

The faithful use according to directions of this wonderful discovery is positively guaranteed to cure the most obstinate case, no matter how hard a drainer. Our records show the marvelous transformation of thousands of drunkards into sober, industrious and upright men.

Wives cure your husbands! Children cure your fathers! This remedy is in no sense a nostrum, but is a specific for this disease only, and is so skillfully devised and prepared that it is thoroughly soluble and pleasant to the taste, so that it can be given in a cup of tea or coffee without the knowledge of the person taking it. Thousands of drunkards have cured themselves with this prescribed remedy, and as many more have been cured and made temperate men by having the "Cure" administered by loving friends and relatives without their knowledge in coffee or tea, and believe today that they discontinued drinking of their own free will. Do not wait. Do not be deluded by apparent and misleading "Improvement." Drive out the disease "Improvement." Drive out the "Home Gold Cure" is sold at the extremely low price of one dollar, thus placing within reach of everybody a treatment more effective than others costing \$25 to \$50. Full directions accompany each package. Special advice by skilled physician when requested without extra charge. Sent prepared to any part of the world on receipt of one dollar. Address Dept. 1322, Edwin B. Giles & Company, 2320 and 2322 Market St., Philadelphia.
